

Proposal for upgrades to the Garden Share shed. The goal is to upgrade this area so that it can be used as a Community Center, and to create more water storage for use in fighting fires and for the garden. The quote is by Robert Melendez for BZ\$ 12,000 and includes the following:

Removal of concrete fish tank

Concrete floor 16'x20'

All walls screened in with two 36" screen doors

Concrete gutters around entire building to divert water approximately 3' wide

60' of sidewalk from chalk board to building

5'x12' concrete pad to support 2 more 2500L rotoplas

Gutter on new tractor roof

All plumbing to incorporate the two new rotoplas
