Good afternoon!

Bryan would like the EAB to inspect a dead tree along the road near lot 99. The tree lost a large branch yesterday and for safety I feel the tree should be removed.

Thanks, Beth

The tree in question has been evaluated and the EAB has decided to have the tree removed. As the tree is on the road, no trees will be needed to be replanted.

Respectfully,

The tree has been removed and the area cleaned. This project is completed.
